Single Sided Tapes

Danco has a well established range of single sided tapes that feature many different types of backing materials and a choice of pressure sensitive adhesives (PSA) With extremely experienced technical staff we are able to assist with selecting the right tape for the application. New applications can lead to the creation of new tapes, this involves testing in our well equipped laboratory to ensure satisfactory results in the work place.

DAN100 CS
InsulTape

18/24/36/48/60/72/96mm x 30m

DAN130 CS
All Weather Tape

24/48/72/96mm x 25m

DAN181 CS
PVC Film Joining Tape

48mm x 30m

DAN218
Vine Tying Tape

11mm x 30m

DAN302
Friction Tape

19mm x 18m

DAN405 CS
Heavy Duty Industrial Cloth Tape

24/36/48/72/96/144mmx30/45m

DAN406 CS
Bond Breaker Cloth Tape

65mm x 45m

DAN640 CS
Duct / Gaffer Cloth Tape

48mm x 20m

DAN645 CS
General Purpose Cloth Tape

24/48/72mm x 30m

Double Sided Tapes

Many processing and manufacturing industries rely on double sided tapes to bond many types of substrates together. The Danco range has helped New Zealand businesses bond foams, metals, glass, plastics, boards and papers for 60 years. Our knowledgeable technical staff can assist with advice on the choice of a suitable tape.

DAN210 CS
Nano Magic Tape

24mm x 3m

DAN5123 CS
(Duplocoll®)
Double Sided PE Modified Acrylic Foam Tape
18/24/36/48/75mm x 25m

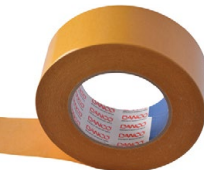

DAN6600 CS
Double Sided Tape
12/18/24/36/48/100/300/1000mm x 25/50m

DAN6620 CS
Double Sided PE Foam Tape
12/16/18/24mm x 25m

DAN6652 CS
Filmic Double Sided Tape
6/18/24/48/96mm x 50m

DAN6690 CS
Tissue Double Sided Tape
18/24/36/48/605mm x 50m

Foam Tapes

The Danco single sided foam tape range is used to seal, gap fill, waterproof, shockproof, dust proof, soundproof and insulate a wide range of products across industries such as construction, engineering, glazing, Heating and Ventilating, transport, plumbing and marine. With a range of technical foams to chose from the Danco technical staff can assist chose the correct one for the application.

DAN73 Series CS
Closed Cell Cross Linked Polyethylene Foam
3.0/6.0mmm
6/9/12/18/24mm

DAN74 Series CS
Closed Cell EPDM Foam
6/9/12/18/24mm

DAN75 Series CS
Closed Cell PVC / Nitrile Foam
6/9/12/18/24mm

DAN77 Series CS
Low Density Closed Cell PVC Foam
6/9/12/18/24mm

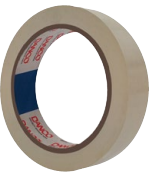

DAN78 Series CS
Medium Density Closed Cell PVC Foam
6/9/12/18/24mm

Strapping Tapes

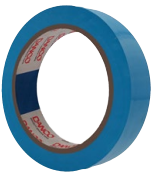

Danco has developed over the years a range of extra strong and high tensile adhesive tapes. Danco strapping tapes are trusted and used extensively in the Steel, Pulp and Paper and Timber industries throughout New Zealand. The Danco technical team are happy to assist selecting the correct tape for this critical usage.

DAN6489 CS
Strapping Tape
12/18/24/36/48mm x 50m

DAN6490 CS
Strapping Tape
12/18/24/36/48mm x 50m

DAN6491 CS
Strapping Tape
12/18/24/36/48mm x 50m

Foil Tapes

Danco foil tapes are high-performance aluminium tapes for sealing insulation, joining pipes and ducts, and creating vapour barriers. With strong adhesion, thermal reflection, UV and ozone resistance, and excellent temperature performance, they are ideal for HVAC, roofing, construction, and fire-rated applications, providing durable, moisture-resistant, long-lasting bonds even in cold conditions.

DAN830 CS
Pure Aluminium Foil Tape
24/36/48/72/75/96mm x 45m

DAN831 CS
Self Wound Pure Aluminium Foil Tape
24/36/48/72/75/96mm x 45m

DAN425 CS
Tight Release Self Wound Alum Foil Tape without Liner
23/36/48/72/96mm x 50m

DAN850 CS
Cold Weather Aluminium Foil Tape
12/25/36/48/72mm x 45m

DAN883 CS
Re-inforced Aluminium Foil
25/36/48/72/96mm x 50m

DAN2222 CS
Self Adhesive Embossed Foil-PET Clad & Jacketing Tape
50/72/600mm x 50m

Flashing Tapes

Danco Flashing tapes are a self-adhesive, aluminium-faced, bitumen-backed sealing tape that creates strong, watertight seals in all climates. It bonds easily to most building materials, making it ideal for roof repairs, gutters, pipes, insulation, and a wide range of construction or maintenance tasks. With excellent resistance to high temperatures, it provides durable, long-lasting protection and reliability.

DAN820 CS
Flashtape - Bright Finish
24/48/72/75/96mm x 10m
100/150/200/225/300mm x 10m

DAN822 CS
Flashtape - Grey lead-like finish
24/48/72/75/96mm x 10m
100/150/200/225/300mm x 10m

Surface Processing/Protection Films

Danco has for many years represented Novacel the world leading French manufacturer of processing and protection film. Novacel has over 100 different films that ensures the right film is chosen for the substrate and processing requirements. Novacel technology is cutting edge and extends to the new 'OXYGEN" sustainable, lower carbon footprint films. Free technical assistance is available to ensure perfect compatibility and clean removal is guaranteed. Films are available in widths up to 2600mm wide and rolls up to 3000m in length.
